

Paramount Fine Foods Alberta

will be presenting the

Edmonton Food Bank with a \$10,000 Donation

Food brings people and community together. Food crosses cultural and political boundaries. Food is essential... it is paramount to all of us. Edmonton's Food Bank operates year round to ensure our neighbours in need have access to food. It is because of our community and community minded businesses like Paramount Fine Foods that we can continue this work," said Marjorie Benz, CM, Executive Director of Edmonton's Food Bank. "Monetary donations such as this allows us to ensure that we can deliver food to programs and services throughout the city.

Thank you for taking an exceptional food experience and sharing it with everyone.

Cordially Invites You to Attend the
